

Application Cover Sheet

The purpose of the Teen Leadership Experience is to expose students to the many services, resources, organizations and businesses that make Fayetteville and the Northwest Arkansas area unique. Each month the group will attend presentations, tour facilities and interact with representatives from businesses, non-profit organizations, educational institutions and public offices. While we strive to provide an engaging experience by including as many hands-on, experiential activities as possible, this is not always an option. In order to get the most out of the program, students should be prepared to listen, ask questions and learn about the ways that they may become involved in their community both now and in the future.

Please type or neatly write your responses (responses to the questions on page 3 must be typed). After completing this Cover Sheet (front & back), and attached questions, return it promptly to your counselor or mail to the Fayetteville Chamber of Commerce ATTN: Jennifer Irwin – P.O.
