32<sup>nd</sup> Day of 90<sup>th</sup> General Assembly

## STATE CHAMBER/AIA PRIORITY BILLS

**SB 332** by Sen. Jake Files and Rep. Joe Jett was filed yesterday. The bill seeks a further and complete reduction in the sales taxes paid by manufacturers on their repair and replacement parts. It would eliminate all but the constitutional sales taxes from 4.875 percent to 2.5 percent on July 1, 2015 and to zero on July 1, 2016. The bill would also eliminate the requirement that those seeking to take advantage of this tax exemption must have a direct pay sale and use tax permit from the Arkansas Department of Finance and Administration.

Additional pieces of our legislative package continue to work through the drafting process. We will provide bill numbers, sponsors and additional information as each bill is filed.
